

PARTICIPANT'S GUIDE COURSE SIXTY-EIGHT

BIBLICAL DREAM INTERPRETATION PART 3

How to Use This Guide

This self-study guide is a companion document to the video course "Biblical Dream Interpretation - Part 3"

This guide will help you understand the progression for dreams, visions and trances to traveling in the spirit and translocation.

Each Glory to Glory Study guide is organized around five areas of learning:

1. **Synopsis of Key Learning** - The synopsis will provide summaries of key points from the video that are important for you to understand and serve as foundational knowledge for the next course in the learning series.
2. **Important Vocabulary and Concepts** - This study guide will provide explanation of important words or ideas that are critical to understanding biblical truth.
3. **Deeper Learning** - The more you know and understand about who God is and how He works, the deeper in love you fall. God wants to have a deep and abiding relationship with you. He desires for you to know Him. This section of guide will give you additional insights into the teaching from the video for you to study on your own. If you have questions, there will be mentoring moments in the online school for you to get your questions answered.
4. **Life Application** - God calls for us to not just be a hearer of His word, but a doer also. (James 1:22). This means that God expects for us to apply what we learn about Him in our everyday lives. This section of the study is to help you think about the ways to apply what you learn from the course to your everyday life.
5. **Memory Scriptures** - Scriptures that support key concepts in the course will be highlighted. We encourage you to memorize these scriptures by meditating on them until they are hidden in your heart. When you hide God's word in your heart, it makes it hard for the enemy to deceive you. In this way, you are less likely to sin against God. (Psalm 119:11)

Introduction to Course Sixty-Eight

In this course on Biblical Dream Interpretation - Part 3, you will learn how to properly record your dreams, the steps that you need to take to get the proper biblical interpretation, how to handle recurring dreams and also what seeing people and celebrities in dreams actually mean.

With this information you will be well on your way to interpreting your own dreams.

Biblical Dream Interpretation - Part 3	
Synopsis	<p>If you do a search online you will find that there are many resources available to interpret your dreams. On closer inspection you will realize that they are all not grounded and rooted in the word of God.</p> <p>You will find new age websites with interpretations using all kinds of demonic sources to interpret the dreams, muslim websites plus many others that have a mixture of all different ways to interpret your dream.</p> <p>God did not intend for you to use unbiblical sources to interpret your dream so the only way you are truly going to receive the message He has for you is to use the book that He left to help you with the dream symbols, the Bible.</p>
Key Vocabulary/ Concepts	<p>Hebrew Strong's Concordance - 7307 Ruach: Spirit, wind, breath</p> <p>Original Word: רוח</p> <p>Part of Speech: Noun Feminine</p> <p>Transliteration: ruwach</p> <p>Pronunciation: roo'-akh</p> <p>Phonetic Spelling: (roo'-akh)</p>
Deeper Learning	<p>There are simple steps to getting the correct interpretation of your dreams:</p> <ol style="list-style-type: none"> 1. Ask God if the dream was from Him because there is no point to finding the interpretation of anything that came from the enemy or your own flesh. 2. Pray and ask God for the interpretation. This simple step could give you the full and complete meaning. 3. Search the bible online for symbols. As an example, locusts in the bible will bring up a list of scriptures related to that symbol.

	<p>4. Read all the scriptures and see which ones matches the context of the dreams.</p> <p>5. All symbols together tell the story so by putting them together you will see the meaning come together clearly.</p> <p>6. Use common sense. Sometimes just the simple thought pattern of “what is this used for in life?”, “what feeling do I get from this symbol?” is enough to figure out what something means. Especially realizing that you won’t find every symbol in the bible. You will never find “the internet” in the bible because it didn’t exist back then. You also won’t a car but you will find chariots and horses and donkey because this was the mode of transportation back then. The word husband is Jesus which tells us that not every dream where you see your husband is actually your husband. Or when you see your wife, it is your wife. Because we know that the wife can also be the bride of Christ and this is where context and what the husband and the wife were doing in the dream matters.</p> <p>7. Sometimes you have to zoom out and look at the message of the dream and not so much the symbols itself. Clearly identifying the message is an easy way for you to know what God is trying to tell you in a dream.</p> <p>8. If you can't figure out some of the symbols, ask God to give you another dream to help you get to the meaning.</p> <p>You can also use this bible dream symbols tool to help you find some of them.</p>
<p>Life Application</p>	<p>You may ask yourself, why does God have to make this so complicated? In the New Testament we see that He spoke in parables but when He was alone with His disciples He would reveal what the parable meant.</p> <p>In spending time alone with you, He will begin to reveal to you the meaning of your dreams. If God were to tell you everything about your life clearly, you would tell it all to the wrong person and the enemy would stop all of the plans of God over your life. Just think about what happened to Joseph after he revealed his dream to his brothers.</p> <p>In concealing it in a dream, when you take the time to pray and research the meaning you are demonstrating to God that you will diligently seek out and protect that which He has locked up on the inside of you.</p>

	<p>My greatest release to discovering the meaning of my dreams was to stop resisting learning about the symbols meant. The minute I embraced it, the interpretations came easier. And I can tell you when I missed the interpretation God would always bring another dream to help me get it right.</p> <p>All you have to do is try. That's all, just try.</p>
<p>Memory Scriptures</p>	<p style="text-align: center;"><i>Proverbs 25:2</i> <i>It is the glory of God to conceal a matter, But the glory of kings is to search out a matter.</i></p>
<p>Prayer</p>	
<p><i>Father God,</i></p> <p><i>You have concealed a matter in dreams so that the kings You placed on this earth would search it out. I pray that You will help me to decipher the meaning of my dreams. Guide my steps and lead me into the correct interpretation, In the name of Jesus, Amen.</i></p>
