

PARTICIPANT'S GUIDE COURSE SIXTY-SEVEN

TRAVELING IN THE SPIRIT AND TRANSLOCATION PART 2

How to Use This Guide

This self-study guide is a companion document to the video course "Traveling in the Spirit and Translocation - Part 2"

This guide will help you understand the progression for dreams, visions and trances to traveling in the spirit and translocation.

Each Glory to Glory Study guide is organized around five areas of learning:

1. **Synopsis of Key Learning** - The synopsis will provide summaries of key points from the video that are important for you to understand and serve as foundational knowledge for the next course in the learning series.
2. **Important Vocabulary and Concepts** - This study guide will provide explanation of important words or ideas that are critical to understanding biblical truth.
3. **Deeper Learning** - The more you know and understand about who God is and how He works, the deeper in love you fall. God wants to have a deep and abiding relationship with you. He desires for you to know Him. This section of guide will give you additional insights into the teaching from the video for you to study on your own. If you have questions, there will be mentoring moments in the online school for you to get your questions answered.
4. **Life Application** - God calls for us to not just be a hearer of His word, but a doer also. (James 1:22). This means that God expects for us to apply what we learn about Him in our everyday lives. This section of the study is to help you think about the ways to apply what you learn from the course to your everyday life.
5. **Memory Scriptures** - Scriptures that support key concepts in the course will be highlighted. We encourage you to memorize these scriptures by meditating on them until they are hidden in your heart. When you hide God's word in your heart, it makes it hard for the enemy to deceive you. In this way, you are less likely to sin against God. (Psalm 119:11)

Introduction to Course Sixty-Seven

Dreams, Visions and Trances are the beginning of supernatural experiences that will also include traveling in the spirit or translation in the spirit followed by translocation.

God has a purpose in giving His children the ability to travel in the spirit and translocate.

Traveling in the Spirit and Translocation - Part 2	
Synopsis	<p>Traveling in the Spirit is when your spirit man travels into different dimensions, realms and timelines in the spirit. Translocation or Transrelocation is when your physical body is moved to a different location or timeline.</p> <p>God does this in order to fulfill His will of teaching the body of Christ, sharing the Gospel of Jesus Christ, bringing healing, deliverance and encouragement to those in need.</p>
Key Vocabulary/ Concepts	<p>Hebrew Strong's Concordance - 5375 Nasa or nasah: lifted, lift, bear</p> <p>to lift, in a great variety of applications, literal and figurative, absol. and rel. (as follows)</p>
Deeper Learning	<p>Man, while knowing there are other dimensions and realms and understanding that portals can be created, have always tried to find ways to access the things of God without God.</p> <p>There is always going to be a counterfeit that mimics what God can do except it is done with human strength or demonic powers.</p> <p>Back in the Old Testament it was the tower of Babel, where the people decided to build a tower that would reach all the way to the third heaven. I have often wondered how far they got with that structure before God stopped it. What is interesting is that God said He had to confuse the language of the people because when they were all united speaking the same language they would be unstoppable and could accomplish anything, hmmm.</p> <p>There is also astral projection and now we have CERN. CERN has a device that was built by scientist, physicists, to access other dimensions.</p> <p>The fact they would build such a device says that they know the dimensions exist but yet they refuse to believe in the One who created the dimensions. In using this device, according to Dr Astrid Shuckleberger, they've unlocked 17 dimensions and there are beings coming through this man made portal.</p>

	<p>Understand that any time we access the realm of the spirit illegally, that is without God allowing us to do it or initiate the process, there are huge consequences. Imagine all the entities that and beings that are coming into this realm because of the CERN collider. You won't be able to see them because your 3D vision wouldn't see them unless they allow you to see them but they most certainly can see you because they are from a higher dimension than you are.</p>
<p>Life Application</p>	<p>The next progression from dreams, visions and trances is traveling in the spirit and then translocation.</p> <p>This is nothing for you to be afraid of because when the time comes God will do it and you won't even know it until it happens.</p> <p>We also know that someday we are all going to be raptured so at some point all of us will be able to experience it.</p> <p>I've noticed that the people God chooses to use in this way are those who are committed to Him and to His purpose in the earth. All of these experiences have a purpose and you will know when it happens what you are to do in the place where He takes you.</p> <p>Think of your preparation as reading the bible and knowing the scriptures well so that should you encounter the supernatural, you are able to quickly discern if it is the Lord and not the enemy.</p> <p>Spending time in prayer and meditating on the scriptures will also help you to grow in your relationship with the Lord so that when this happens you can instantly seek the Lord to get direction.</p> <p>How do you feel about God using you in this way for the end time church?</p>
<p>Memory Scriptures</p>	<p style="text-align: center;"><i>2 Corinthians 12:1-3</i></p> <p><i>It is necessary to boast, though nothing is gained by it; but I will go on to visions and revelations of the Lord. 2 I know a man in Christ who fourteen years ago—whether in the body I do not know, or out of the body I do not know, [only] God knows—such a man was caught up to the third heaven. 3 And I know that such a man—whether in the body or out of the body I do not know, [only] God knows— 4 was caught up into. Paradise and heard inexpressible words which man is not permitted to speak [words too sacred to tell].</i></p>

Prayer	
<p><i>Father God,</i></p> <p><i>We are so fearfully and wonderfully made. Making us in Your image and following the model of the Trinity of Mind, Body and Spirit we have the ability to go beyond time and space in our spirit. It is truly marvelous that You have created us to be and do all that You have. I ask that You would teach me how to disconnect from the first heaven so that I can truly learn how to take up my role in the third heaven and serve You as you intended from the foundations of the earth, In the name of Jesus, Amen.</i></p>
