

## PARTICIPANT'S GUIDE COURSE SEVENTY ONE

# TOP 30 DREAM SYMBOLS PART 6

### How to Use This Guide

This self-study guide is a companion document to the video course "Top 30 Dream Symbols"

This guide will help you understand the progression for dreams, visions and trances to traveling in the spirit and translocation.

Each Glory to Glory Study guide is organized around five areas of learning:

1. **Synopsis of Key Learning** - The synopsis will provide summaries of key points from the video that are important for you to understand and serve as foundational knowledge for the next course in the learning series.
2. **Important Vocabulary and Concepts** - This study guide will provide explanation of important words or ideas that are critical to understanding biblical truth.
3. **Deeper Learning** - The more you know and understand about who God is and how He works, the deeper in love you fall. God wants to have a deep and abiding relationship with you. He desires for you to know Him. This section of guide will give you additional insights into the teaching from the video for you to study on your own. If you have questions, there will be mentoring moments in the online school for you to get your questions answered.
4. **Life Application** - God calls for us to not just be a hearer of His word, but a doer also. (James 1:22). This means that God expects for us to apply what we learn about Him in our everyday lives. This section of the study is to help you think about the ways to apply what you learn from the course to your everyday life.
5. **Memory Scriptures** - Scriptures that support key concepts in the course will be highlighted. We encourage you to memorize these scriptures by meditating on them until they are hidden in your heart. When you hide God's word in your heart, it makes it hard for the enemy to deceive you. In this way, you are less likely to sin against God. (Psalm 119:11)

### Introduction to Course Seventy-One

In this course Top 30 Dream Symbols you'll quickly learn the most common dream symbols. There is a 100% possibility that you have had at least one if not several of the symbols interpreted in this list. When combined with the scriptures that you look up based on the time you wake up and the other symbols you learnt in the previous class on the dream categories, you are well on your way to interpreting your own dreams.

Top 30 Dream Symbols - Part 6	
<b>Synopsis</b>	<p>This Top 30 Most Common Dream Symbols will help you to know the meaning of the most common dreams that you'll have.</p> <p>All dream symbols have various meanings so the context in which it appears in the dream is critical to get the correct interpretation.</p>
<b>Key Vocabulary/ Concepts</b>	<p><b>Hebrews Strong's Concordance - 2233</b>  <b>Zera: descendants, seed, offspring, family, seminal, children,.</b></p> <p><b>"Seed" becomes the keynote of divine promise:</b></p> <ul style="list-style-type: none"> <li>• <b>Genesis 12:7</b> – "To your seed I will give this land."</li> <li>• <b>Genesis 15:5</b> – "Count the stars... so shall your seed be."</li> <li>• <b>Genesis 22:17-18</b> – "In your seed all nations of the earth will be blessed."</li> </ul>
<b>Deeper Learning</b>	<p>Knowing that God uses dreams to speak to our future, our destiny and to also warn us of incoming danger, we can see that to shy away from interpreting your dreams would be a mistake on our part.</p> <p>Imagine if you missed a very important warning about an incoming hurricane, tsunami or a snow storm from the weather channel, I am sure you would be quite upset because you didn't have time to prepare or perhaps leave your location depending on the danger level.</p> <p>Well, God talks to us all the time in dreams to do the very same thing. If you have one dream every month, that is enough for you to want to know what it means as this could hold a key to your future.</p> <p>The dream language is like God telling you a parable so that the enemy doesn't have the ability to know what you dreamt. I also believe this is why most of our dreams are symbolic and not literal. It also becomes a place where you can commune with God and He desires this more than anything else.</p>

<p><b>Life Application</b></p>	<p>If you notice, most of the dream symbols represented needed follow up work on your part to cancel what was coming. This just tells you that most of the time, God gives us dreams to warn us. Consider it your Heavenly Weather Channel.</p> <p>God always wants us to avoid a disaster or falling captive to the enemy. Therefore, the minute that you wake up or even in the middle of the night you need to cancel all the dreams that are negative. It is a simple prayer that can sound like this...</p> <p>“I cancel every negative plan and scheme of the enemy that happened in this dream. None of it shall come to pass. I cut and cancel all covenants that I have made knowing or unknowingly and declare it null and void in the name of Jesus and I ask You Lord, to take Your sword and cut off every and all connections that I have to this dream, in Jesus name, Amen”</p> <p>Being vigilant is crucial.</p> <p>The bad things don’t have to happen, so the <b>speed at which you handle them</b> is critical to how soon they manifest in the natural realm or not.</p>
<p><b>Memory Scriptures</b></p>	<p style="text-align: center;"><i>Job 33:15-18 The Message</i></p> <p style="text-align: center;"><i>“In a dream, for instance, a vision at night, when men and women are deep in sleep, fast asleep in their beds—God opens their ears and impresses them with warnings</i></p> <p style="text-align: center;"><i>To turn them back from something bad they’re planning, from some reckless choice, And keep them from an early grave,from the river of no return.”</i></p>
<p><b>Prayer</b></p>	
<p><i>Father God,</i></p> <p><i>There are no words to express the gratitude I feel knowing that You will warn me of any dangers in my dreams. I ask that You would cause me to be diligent to handle what You are showing me without fear, in Jesus’s name, Amen.</i></p>
